IF YOU DON'T HAVE A MEDICARE ONLINE ACCOUNT

You need to link Medicare to your myGov account to set up your Medicare online account.

Sign in to, or create, your myGov account at **my.gov.au**

You can then link Medicare using either:

- your Medicare card number and information from your Medicare history
- a linking code issued by Services Australia.

IF YOU CAN'T GET YOUR PROOF ONLINE

If you can't get your immunisation history statement or COVID-19 digital certificate online or need help, call **1800 653 809**.

Some local health clinics may print or hold your proof of vaccination for you. Ask your clinic if this is something they can help with. Or you can go in to your local service centre or Agent and ask them to help you print a copy.
