COVID-19 Vaccination

A portrait of Elder Cyril Munda, an Indigenous Australian man with long dark hair and a grey beard. He is wearing a grey wide-brimmed hat with sunglasses perched on top, and a blue button-down shirt. He is looking directly at the camera with a serious expression. The background is a brightly lit room with orange chairs and a blue wall. A poster on the wall behind him reads "People actively involved in their own health care".
