of Western Australia**

# Vision and Mission Statements

## Vision Statement

Aboriginal people in Western Australia enjoy the same level of health and wellbeing as all Western Australians.

## Mission Statement

As the leading authority for Aboriginal health in Western Australia, we strive to strengthen and promote the ACCHS model of care, empowering Aboriginal people to achieve health equality in their communities

**AHCWA exists to:**

### Enhance and Promote

the ACCHS Model of Care as best practice primary health care for Aboriginal people and communities.

### Support and Strengthen

our Member Services to achieve excellence in the delivery health care services.

### Lead and Influence

the state and national Aboriginal policy agenda as determined by our Member Services.

### Grow and Advance

the capacity and capability of AHCWA and our Member Services for long term sustainability.
