

PRODA

Maintain Attribute Delegation

You will need to have authority in order to maintain users and Delegate Attributes in PRODA. Members and Attributes expire and must be regularly maintained.

1 In PRODA select the Organisations Tab

2 Select Health Service Incorporated

3 Expand the Members group
Add New or Select existing Member

4 Select Delegate to this member from Attribute Delegations

5 Choose the required Delegation and To Date

6 Click Delegate. Remember to review Regularly

***The Provider RA must be registered as a member to the Organisation in order to receive delegation to act on behalf of the organisation in HPOS.*

The HPOS Operator must have Delegated Access to Act on Behalf of the Organisation (See PRODA – Maintain Organisation Members).
