PRODA
Maintain NASH Certificate

Responsibility of the Responsible Officer (RO) or the Organisation Maintenance Officer (OMO). When prompted by HPOS select No Organisation and proceed as an Individual Only.

1 Open the Healthcare Identifiers and My Health Record in HPOS My Programs

2 Select Healthcare Identifiers - Manage Existing Records

3 Choose Health Service

4 Select My Organisation Details. Go to Certificates

5 Select Renew. Complete Terms and Conditions Click Save

6 Download NASH Cert

**PIC received via TXT when NASH is ready to download, Do not lose or misplace the PIC.
***NASH Certificates typically expire every 2 years.

Renewing a NASH Certificate revokes the existing one. The Personal Identification Code (PIC) is the password that allows it to be imported.
