

# IMMformation Webinar

## RSV vaccination for older people

**Dates:** Wednesday 22 July 2026 11.00am to 12.00pm AWST  
Thursday 23 July 2026 4.00pm to 5.00pm AWST

In partnership with Benchmarque Group, AHCWA is hosting two information webinars that explore the new Respiratory Syncytial Virus (RSV) vaccination program for older adults.

The sessions are delivered live and will provide an overview of RSV disease burden in older Australians, key clinical considerations, addressing common questions, and integrating RSV vaccination into routine preventive care.
