BENANG
(TOMORROW)

Kieron Pearce
Goreng/Menang Noongar

At the centre of Benang is a meeting place surrounded by 24 people which represent our Member Services. From this central meeting place, many pathways move outwards, winding, overlapping and intertwining.

The intricate pathways are made up of many circles, both small and large. These change in colour, symbolising how communities evolve and strengthen through periods of change. The circles ultimately come together, building strong, sustainable foundations for our communities.

The colour palette was inspired by earth tones drawn from WA's changing landscape through the seasons, reinforcing the theme of change and growth over time.

INVITATION FROM THE CEO & CHAIR

The WA ACCHS State Sector Conference is the flagship event for Aboriginal community controlled health in Western Australia — bringing our sector leaders, Members, and partners together over four days to share knowledge, strengthen relationships, and shape what is next for Aboriginal health and wellbeing across our state.

For your organisation, partnering with AHCWA is more than event sponsorship. It is a visible way to back a sector that is already changing lives across WA, and a genuine chance to build relationships that grow well beyond the conference and help shape a stronger future for Aboriginal health. Partners leave with real connections, not just a name on a sponsor list.

WE WARMLY INVITE YOUR ORGANISATION TO JOIN US IN 2027 AND BE PART OF DRIVING CHANGE FOR ABORIGINAL HEALTH IN WA.

6. Real Community Impact

Your investment enables AHCWA to deliver a stronger conference for a sector already providing around **500K** episodes of care annually to Aboriginal communities across WA.
